

## CURRICULUM VITAE

**Jasmina Kozarev**

### Personal data:

**Birth date:** 13.07.1965.  
**Birth place:** Sremska Mitrovica, Serbia  
**Other:** dr.kozarev@eunet.rs  
**Address:** Vojvode Stepe bb  
22000 Sremska Mitrovica  
Serbia

### Education:

<b>LEVEL</b>	<b>YEAR</b>	<b>INSTITUTION</b>
<b>Specialist of Dermatology and Venereal Diseases</b>	<b>1994</b>	University of Novi Sad, Yugoslavia Medical Faculty
<b>MSc</b>	<b>1993</b>	University of Novi Sad, Yugoslavia Medical Faculty Average note: 10/10 <b>Theme:</b> <i>Correlation between clinical signs, skin tests and in vitro laboratory test in children with allergic respiratory diseases.</i>
<b>B.Sc.</b>	<b>1988</b>	University of Novi Sad, Yugoslavia Medical Faculty Average Note: 9.52/10
<b>Ph.D.</b>	<b>2011</b>	Private Dental Faculty Pancevo, Serbia  <b>Theme:</b> <i>Laser treatment vascular lesions of the orofacial region and body.</i>

### Foreign languages:

English, active  
German, passive

### Other courses:

#### As a lecturer:

2017. LAHA workshops: Laser Aesthetic Dermatology, Ljubljana, Slovenia  
2016. Serbian Medical Chamber, Dermatovenerological Section. Vascular Laser pathology and treatments.  
2016. LAHA Symposium, Bled, Slovenia  
2016. Sanomed Laser Aesthetic Dermatology Course, Istanbul, Turkey  
2016. Kuwait Derma Update and Laser Symposium, Kuwait

2016. CME Aesthetic Dermatology Updates, Dubai, UAE  
2016. Q-Switched Dermatology Laser Applications, Abu Dhabi, UAE  
2016. LAHA Aesthetic Laser Workshop, Ljubljana Slovenia  
2016. LAHA Advanced Q-switched Laser Workshop, Ljubljana, Slovenia  
2015. Kuwait Dermatology Congress, Kuwait City, Kuwait  
2015. Abu Dhabi International Conference in Dermatology and Aesthetics, Abu Dhabi, UAE  
2015. 2. Regionalni Kongres Korektivne Dermatologije, Ljubljana, Slovenia  
2015. Laser Aesthetic Training, Istanbul, Turkey  
2015. LAHA Aesthetic Laser Workshop, Ljubljana Slovenia  
2013-2015. Laser aesthetic procedures, University of Sharjah, Dubai, UEA  
2014-2015. Mena Dermatology Conference Abu Dhabi, UAE  
2014. Aesthetic Dermatology Conference, Athens, Greece  
2013. Laser Controversies, Innsbruck, Austria  
2012. EADV Spring Symposium, Verona, Italy  
2012. Ultra-pulse CO2 Laser Course, Florence, Italy  
2012. Er:YAG laser aesthetic procedures, Moscow, Russia  
2011. Aesthetic Laser Course, Warsaw, Poland  
2011. 11. International Darmstadt Symposium, Darmstadt, Germany  
2010. EADV Congress, Gothenburg, Sweden  
2010. Laser aesthetic procedures, University of Sharjah, Dubai, UEA  
2008-2015. Laser in dermatology and aesthetic procedures, Laser and Health Academy, Ljubljana  
2009. Hair and Nails – what is new? Academy of Medical Science, Belgrade, Serbia  
2008. Fractional lasers in aesthetic dermatology. Faculty of Medicine, University of Novi Sad, Serbia  
2007. Lasers in dermatology procedures. Faculty of Medicine, University of Novi Sad, Serbia  
2006. Advances in diagnosis and treatment of dermatological diseases, Faculty of Medicine, University of Novi Sad, Serbia  
1994. Upper level course “Permanent make up”, Permanent cosmetic center of Scottsdale, AZ, USA.  
1993. Genetics in dermatology. University in Novi Sad, Medical faculty, Department for mother and child health.

### **Employment:**

**2016** – Modern Laser Institute, Dermamedica, Serbia  
**2000-2016** – Dermamedica Dr.Kozarev Dermatology Private Clinic, Srem. Mitrovica, Serbia.  
**2011-2016** – Consultant Dermatologist in Gynecological hospital IVF GENESIS Novi Sad, Serbia  
**1999-2016** – Consultant Dermatologist in ST Medica, Private Clinic of Plastic and Restorative Surgery, Belgrade.  
**1995-2000** - DRS. Kozarev Private Practice, Srem. Mitrovica, Yugoslavia.  
**1990-1995** - Medical Center, Dermatology Department, Srem. Mitrovica, Yugoslavia.  
**1988-1990** – University of Novi Sad, Medical Faculty, Clinic for gastroenterology and hepatology.

### **Other activities**

2016. Consultant Dermatologist Life Care International, Dubai, UAE  
2015-2016. Consultant Dermatologist in “The Touch” Aesthetic Dermatology Clinic, Cochin, India  
2014-2015. Consultant Dermatologist in KOC Ahmadi Hospital, Kuwait  
2014-2016. Visiting Lecturer in Sharjah University, UAE

2013. Medical Director of Dermatology and Laser Academy (DALA)  
2011-2016. LAHA Journal Scientific Board Member  
2010. DEKA International Laser Expert  
2009-2016. Laser and Health Academy Expert Clinical Lecturer  
2008. Executive Committee Officer of Serbian Dermatology Association  
2007. Medical consultant for Dermamedica doo, distributor of Fotona Lasers in dermatology and aesthetic procedures.  
2002 – 2004. Professional consultants for Radiosurg radiofrequency unit for dermatology procedures, Germany.  
2000 – 2002. Professional consultant for Ellman radiofrequency, USA  
2000. – Founder of Dermamedica Cosmeceuticals  
1997 – 1999. - Professional consultant for IRRADIA Medicinsk Teknik, Sweden in Yugoslavia. Symposium and workshop lecturer specializing in CO2 laser procedures. Topics: Laser physics, laser tissue interactions, CO2 laser resurfacing, CO2 laser safety and live patient demonstration of full face resurfacing and management of superficial skin lesions in cosmetic surgery practice.  
1994. – “A Dermatology Place”, Phoenix AZ, USA. Topics: CO2 laser procedures, laser/skin surgery, non-surgery rejuvenation, chemical peels.  
1993. - Dr. Jankovic Private Clinic, Hildesheim, Germany. Topics: Soft and MID laser procedures.  
1992. – Set up immunology-allergy unit in Dermatology Department, Medical Center, Srem. Mitrovica.

**Member:**

*ESLD - European Society for Laser Dermatology,  
American Academy of Anti-Age Medicine,  
World Association of Anti-Ageing Medicine.*

Dr. Jasmina Kozarev is a consultant dermatologist, distinguished practitioner, researcher and innovator in the field of dermatology and laser surgery. She specializes dermatovenerology in 1993. Her main interests include allergology, skin disease, dermatological surgery, aesthetic laser procedures, non-surgical aesthetic procedures and chemical peels. She is currently involved in several clinical research projects to serve these interest areas and has published numerous research papers. With more than 20 years of hands-on clinical expertise, Dr. Kozarev founded the Dermamedica dermocosmetics line; she was the first to incorporate natural dermocosmetics into professional skincare. Since 1995, Dr. Kozarev has been in private practice. She is also an active and leading member of several local and international professional organizations. Dr. Kozarev was the first dermatologist in Serbia to perform esthetic laser procedures, radiowave surgery procedure and non-surgery rejuvenation. She has special interest in areas such as resurfacing and fractional treatments, vascular laser treatments and laser-assisted revision of keloid scars. In her work, she expanded the limits of application fields with Q-switched lasers not only on tattoo or pigment dishromia treatments. She has also developed and lectures on treatment protocols for laser treatment of onychomycosis and importance of making interface between lasers and other dermotherapeutic protocols.

She is a frequent presenter at laser and aesthetic conferences and she is actively involved in laser clinical research and protocol development. She is Visiting Lecturer at the SULTARC, University of Sharjah, UAE, where she teaches laser procedures in dermatology at Postgraduate Courses. She is Lecturer at national and international Congresses and she published several publications in international reviews. Throughout her career, Dr. Kozarev has gained tremendous experience using lasers on a daily basis and

through her long-standing links with Fotona and DEKA she has worked with virtually all of laser systems in the aesthetic and surgery range.

Since 2014. She is fully involved in laser education program in Dermatology Laser Academy, Laser Dermatology Competence Courses in Sharjah University and Life Care International, UAE. She is LAHA clinical lecturer and member of editorial board of official journal of Laser and Health Academy. She is member of Serbian Medical Association, European Society for Laser Dermatology, American Academy of Anti-Age Medicine, World Association of Anti-Age Medicine.
